COMPAQ

Compaq Support Telephone Number Change

Your Compaq Presario PC came with system recovery CDs and a recovery instruction sheet. This instruction sheet includes an incorrect support number. The correct number is listed below.

If you have questions about the system recovery procedure, please contact a Compaq support person at 1-208-4PC-HELP (1-208-472-4357).

Please use this number for all technical support issues.

4 7 D 6 - 5 9 9 0 - 4 5 1 8
